

Informational Mantua Business and/or Property Owner Meeting Scheduled

If you are a business or property owner in the Mantua area, this meeting is for you! Please read on.

We're all concerned with keeping our heads above water during these difficult economic times. The Downtown Mantua Revitalization Committee (DMRC) has discovered that Neighborhood Development Services in Ravenna has something to offer most property owners & businesses. An NDS loan made possible the wall repair which is currently underway on

the East side of Main Street in the Village.

Want to improve the facade of your building to increase business? Do you need to update your establishment to keep the business you have? What about expanding your product lines? How about help retaining or maybe expanding the number of jobs you offer?

Find out about the range of economic development tools - particularly for a small business. Attend an informal, informational meeting on July 28. We'll gather

in the former Maxxum Mortgage Building next to the Village Tavern at 6:00 PM. Since the building is currently empty, it would be helpful if you'd bring your own lawn chair.

RSVP Becky Newell at 216-990-5086 by Thursday, July 24th so we'll know how many to expect. DMRC is working hard to find ways to educate everyone on what's available to improve/update or simply retain what you have right now. Don't pass up the opportunity to find out how NDS can help YOU.

Session to focus on NDS, bank program

Don Jovich
July 27, 2008

MANTUA -- The Downtown Mantua Revitalization Committee has found that Neighborhood Development Services in Ravenna has something to offer most property owners and businesses. A private NDS loan made possible the wall repair currently completed in the center of town.

These programs will be rolled out at an informal, informational meeting Monday in the former Photography by Terry location next to Sunscape Tanning at 6 p.m. The building is currently empty and those attending are encouraged to bring their own chair.

Mayor Donna Hawkins has been working with DMRC to orchestrate and drive the connections between NDS and the local banks.

Middlefield, Cortland and Chase Banks have contacted NDS to formulate financial products that will help local businesses continue to improve and attract new businesses to downtown Mantua.
